Protection Policy - Conditions of use of the Centre:

All tutors/artists/teachers/primary carers/support workers bringing children, young people and vulnerable adults into the Centre are defined as Mandated Persons and all must be Garda Vetted through a relevant organisation (generally CREATE for artists), have done the HSE Children First Training (if there are a number of mandated persons then one trained person will suffice), and ensure the HSE advised ratios of adults to participants is in place. Where there is a school group, the teacher(s) must be present at all times.

LSC staff, volunteers and scheme workers are not to be left alone with children, young people and vulnerable adults. The mandated person must always be present.
